If you purchased Hikvision products online or at . If your camera's serial number has "CH" in it, you are most likely using "grey". 149-150 tweets, 153 serial numbers, 25 settings screens, 12 About sections. . There has been a DVR set up like this for a long time... on the internet, but even I don't know how to set it up. . How can i do this? I don't even know if it exists. Does he have his own web server? With a web server, everything is complicated, as it is not designed to transfer data from device to device. Just like with other technologies. But that doesn't mean it's faulty. Even if your ISP is blocking port 80, don't despair. Most people don't know how to set up DVR devices without internet connection.
