The new fantasy action RPG by FromSoftware, the makers of the hit game "DEAD OR ALIVE x GENESIS" from the popular anime "DEAD OR ALIVE" will come to the Nintendo 3DS system. In the game, players find themselves in an unfamiliar world, where they can freely move about as they wish, while engaging in world-spanning battles with powerful enemies. These enemies are representative of the dark trees of Hoshido and the light trees of Nohr, characters that appear from the individual interactive elements of the story. Players can also interact with other people on the large network of the game, and by regularly playing the game, they can freely develop their characters together with their friends. In addition, in the game, a new battle system that allows the player to freely decide the order of battle, the types of attack, and the amount of AP and EXP earned has been developed. **KEY FEATURES [A FANTASY ACTION RPG]** A high quality action RPG inspired by a myth. Fully-three-dimensional battles are executed in a never-before-seen action game. You will freely roam the world, engage in battles, collect items, and even talk to other players in real time. With the new action game RPG game from the creators of the "DEAD OR ALIVE" series, you will have the experience of a new fantasy action RPG that features a high visual quality and an immersive world. **[UNIQUE ONLINE PLAY]** A rich, immersive on-line experience that allows you to enjoy different activities with other players. The game supports "Battle Formation" where you can decide who goes first in the battle. The game can be enjoyed in person as well as online. The game allows you to chat with other players on the network. The game allows other players to follow the status of your character. Let's create a friendship and help each other. **[SERIOUS WORLDWIDE BATTLE]** During the course of your journey, you will engage in three-dimensional battles in the wide world. A strong bond is formed with other player characters and you can benefit from any group. You can take advantage of powerful attacks that involve strategic use of items. **[UNIQUE ONLINE MULTIPLAYER BATTLE]** The game allows you to join a group with other players. You can defeat an enemy by coordinating with the team. [The world

See Compl. at 14 (capitalization altered). The Court finds that this second matter is also one that must be resolved by a board of mediation. This Court, therefore, concludes that this case must be stayed pending the Board's decision. See BCB, 133 S. Ct. at 1685-86 ("[T]he Court... cannot imagine a circumstance in which... [a] request for a declaratory judgment should be entertained and acted upon in the meantime."). In addition, the Court will not lift the stay "absent... extraordinary circumstances." See Cullen v. Am. Elevator Operating Syst., Inc., 822 F.3d 1044, 1046 (D.C. Cir. 2016). IV. Conclusion For the foregoing reasons, the Court will grant Defendants' motion to stay Plaintiff's complaint. A separate Order will accompany this Memorandum Opinion. /s/ bff6bb2d33

INTRODUCTION Hello everyone! We have been working hard to produce a game that we are all proud of, and in order to continue that, we are continuously streaming out the game. This is the latest stream that we have released. Please enjoy our progress! We have been working hard to produce a game that we are all proud of, and in order to continue that, we are continuously streaming out the game. The most important advantage of streaming is that the game can be enjoyed a lot more. We can directly respond to questions from the community and anyone else who is interested in the game. We will also listen to those suggestions and use them to improve the game. We hope that everyone will come to experience our game, and we will do our best to stream the game to you. We would like to take this opportunity to thank for the support from every individual that we have received over the past few months. We have received so much love and support that we feel the urge to give back. We are still here supporting the game and we will do our best to come up with improvements and new content. Your support and understanding means the world to us, and we hope that you enjoy the game as much as we enjoy developing it. Thank you.
